Eco-Code

Energy can be saved by everyone.

Car engines need to be turned off to save the environment.

Our schools biodiversity needs saving.

Schoolchildren should turn off the lights when they are not in the classroom.

Care for our school grounds by not dropping litter.

Help us by not standing on or picking from our flowerbeds.

Our school reuses old school uniforms.

Our planet is in danger.

Learn to care for our planet.

School furniture can be reused by other schools.
