Dear parents and carers

ACCESSING CRITICAL KEY WORKER PROVISION

I hope this letter finds you and your families healthy and safe. I am writing to confirm, following reviewing all emails received, that your child(ren) has a place in our emergency critical key worker provision for the period of the national lockdown. This is for every day of the week.

For those that access Treetops, our school link club, I am pleased to confirm that this facility will also be in place unless guidance changes, for that time. Access times remain the same.

We are very proud that we are once again supporting the national response in the face of rising numbers of cases and intense pressure on the NHS and I thank staff for their work and commitment in response once again to this national crisis. We will work closely with parents to support you and your families at this time. Please do not hesitate to contact us if any circumstances change.

Please note as numbers are now decreased and therefore footfall within the school community, we will return to our normal school day times for ALL children. As a reminder these are:

Start time: 8.45am

End time: 3.15pm

(for the time being this also includes nursery)

We ask that you strictly stick to social distancing at this time and those children in nursery and reception will be dropped off at the gate and be met by a member of the team.

We thank you for your continued support in this matter as we try to accommodate as many of our families as possible during this challenging time with the space and staff that we have available to us. Please contact the school for any further enquiries as the @keyworker email will not be monitored once places are now confirmed.

Take care and kind regards

V.J. Briggs
Executive Headteacher
